CHURCH UPDATES

What Comes Next?

Thank you to everyone who was able to participate in our Townhall meetings and straw polls over the past two weeks. We hope everyone has had an opportunity to learn more and begin to process the decisions that need to be made. Here are our next steps in the coming week:

Straw Poll Results

We will release the results of the Straw Poll after the Council has had a chance to review the results and plan our next steps. They will be meeting next on October 11th and we will be announcing the results both by email and in worship on Sunday. We appreciate your patience as the Council does this important work.

Small Group Discussions

If you would like to have further discussion on these topics, Pastor Jeff and Karen Duden will be available to attend small group meetings to hear your thoughts and answer your questions. If you would like to host/organize a gathering please contact the church office.

MISSIONS

Missions has made 2 financial donations in September. First was \$2,000 to House of Compassion for a scholarship fund Director Chad Hammar is starting. This will be for local students continuing their education at MCC. Second, a family of 6 has relocated to Marshalltown from the Ukraine. We gave \$1,000 to help with their expenses. Several area churches are working on this and will probably try to bring other families here.

Thank you for your donations of Ingathering kits. The lists will be available again this month if you are interested and kits need to be turned in by the end of October.

We continue to collect items each month for HOC or Food Box. These can be left on the Missions Table by the Library. As groceries, gas, utilities and other expenses continue to go up, many local families struggle. Any help you can offer is appreciated.

Please let me know if you have any questions or see a need in our community. Thanks for your continued support of Missions.
